Ibatullin I. – First Vice-Rector, Chairman of the Organizing Committee
Mostenska T. – Vice-Rector of Research Work of National University of Food Technologies, Co-chairman of the Organizing Committee
Adamchuk V. – Director of National Scientific Center “Institute of Mechanization and Electrification in Agriculture”, Co-chairman of the Organizing Committee
Nurek T. – Head of Faculty of Production Engineering Warsaw University of Life Science, Co-chairman of the Organizing Committee
Przybyl J. – Director of Institute of Engineering of Biosystems Poznan University of Life Sciences, Co-chairman of the Organizing Committee
Otchenashko V. – Head of the Research Department, Co-chairman of the Organizing Committee
Kozyrsky V. – Director of ERI of energetics, automatics and energy saving, Co-chairman of the Organizing Committee
Voytyuk V. - Director of Research Institute of Technology. Energetics and Information of AIC.
Voloshyn S. – Deputy Director of ERI of energetics, automatics and energy saving, Co-chairman of the Organizing Committee
Bolbot I. – Deputy Director of ERI of energetics, automatics and energy saving, Co-chairman of the Organizing Committee
Usenko S. – Docent of Department of Electric Drive and Electrotechnics
Dudnyk A. – Docent of Department of Automation and Robotic Systems
Boiko V. – Head of Department of Physics
Chochowski A. – Professor of Faculty of Production Engineering Warsaw University of Life Science
Chernyshenko Y. – President of “Ukrainian Greenhouse Association
Chmil’ A. – Head of Department of Electric Drive and Electrotechnics
Draganov B. – Professor of Department of Heat and Power Engineering
Gerasymchuk Y. – Director of Department of National Scientific Center “Institute of Mechanization and Electrification in Agriculture”
Gnuchii Y. – Head of Department of Higher and Applied Mathematics
Gorobets V. – Head of Department of Heat and Power Engineering
Grebchenko N. – Head of Department of Electricity Supply
Inozemtsev G. – Professor of Department of Electricity Supply
Kondratenko I. – Head of Department of Electromagnetic Systems of Institute of Electrodynamics
Lysenko V. – Head of Department of Automation and Robotic Systems
Snezhkin Y. – Director of Institute of Engineering Thermophysics of National Academy of Sciences of Ukraine
Smitiukh Ya. – Docent of Department of Automation and Intelligent control system of National University of Food Technologies
Zhylytsov A. – Head of Department of Electrical Machinery and Electrical Equipment Operating
Zablodskiy N. – Professor of Department of Electrical Machinery and Electrical Equipment Operating

IV - INTERNATIONAL SCIENTIFIC CONFERENCE

"PROBLEMS AND PROSPECTS OF POWER ENGINEERING, ELECTROTECHNOLOGY AND AUTOMATION IN AGRICULTURE"

INVITATION

21-22.11.2016

KYIV 2016

Reputable _____

The Organizing Committee kindly invites you to participate in IV INTERNATIONAL SCIENTIFIC CONFERENCE "PROBLEMS AND PROSPECTS OF POWER ENGINEERING, ELECTROTECHNOLOGY AND AUTOMATION IN AGRICULTURE", which will be held on November 21–22 in Kyiv on the organization of Educational and Research Institute of Energetics, automatics and energy saving National University of Life and Environmental Sciences of Ukraine

THE PURPOSE

- * The exchange of scientific and technical information between scientists and engineers in the field of theory and practice of energy systems, automation, electric technologies and energy saving in the agricultural sector.
- * Discussion of the most effective ways to implement the perspective developments carried out in Ukraine and far abroad.
- * Preparation of recommendations for new engineer systems creation and energy-saving measures in the agricultural sector.

SECTIONS

1. «Problems and prospects of power engineering development in agriculture»
2. «Prospects of electrotechnology development in agrobiotechnical systems»
3. «Automation and biotechnical control systems in agriculture»
4. «Prospects of heat-power engineering and energy storage systems development in agriculture»
5. «Operating and reliability of power supply and consumption devices and systems»
6. «Information technologies in agriculture»

LANGUAGES

ABSTRACTS

Abstracts will be published in three languages: Ukrainian, Russian, and English.

Abstracts submitted for the conference should contain:

- * Abstract title;
- * Names and organizations of authors;
- * The purpose of research;
- * Research results;
- * Conclusions.

The abstracts should not exceed 2 pages A4 format with the banks: top, bottom and right – 2 cm, left – 3 cm. Font Times New Roman 14 pt with an interval of 1,5 should be used.

Abstracts that do not comply these requirements will not be considered.

Abstracts should be submitted in electronic form by sending them to: nubip.ea@gmail.com (marked «Conference 2016»).

For more information and a registration form: <http://www.nubip.edu.ua/node/17629>

The deadline for submitting abstracts – October 20, 2016.

ARTICLES

Reports, containing new ideas and previously unpublished research results can be issued in electronic scientific journal "Energetics and Automatics," or in the Scientific Journal of NULES of Ukraine.

Detailed requirements for the articles –on the web-page:

<http://www.nubip.edu.ua/node/17629>

Full text of the article must be submitted to the Organizing Committee electronically to the address: nubip.ea@gmail.com (marked «Conference 2016»).

The deadline for submitting articles – September 16, 2016.
