BioHorizon Project Co-ordinator, IPPT PAN

Open Info Day

13/06/2018 Kiev

Our galaxy is:

- 1. ALL BIO and KET National Contact Points**
 - NCPs from MS and AC
 - NCPs from Third Countries
- 2. SC2 and KET-Biotech clients**
- 3. European Commission**

BioHorizon offers researchers and industry free assistance through:

Bio-NCP services – one to one consultation, knowledge and understanding of Horizon 2020 calls, rules, legal and financial issues, liaison between EC and Researchers.

Brokerage Events – helping lower barriers to new entrants and stakeholders from SMEs and industry (networking and promoting of the expertise).

Assistance in Searching for partners provides in-depth support to the potential applicants.

BioHorizon website and social media – handy source of fresh SC2 and BIOTECH-related information.

How to obtain funding in Horizon 2020?

- **Contact your local Bio-NCP!**
- Identify the overarching aims of Horizon 2020.
- **Understand the schedule and plan the steps you must take well in advance.**
- Identify the relevant topic(s) via the Participant Portal.
- **Identify your role in and contribution to the prospective project.**
- Network – contact colleagues, attend networking events (infodays, brokerage events, conferences).
- **Learn from ongoing projects through discussion with participants.**
- Familiarise yourself with the relevant EC documents and strategies.

SAVE THE DATE: 26 June 2018, brokerage event Brussels

- to **foster the creation of transnational consortia** for SC2 and KET-B projects
- to **stimulate the networking between academic and industrial partners** as well as other relevant stakeholders
- to **provide suitable thematic platforms to discuss** and develop ideas and projects
