letter**

**X Applied science international conference
of young scientists and experts**

**"BREEDING, GENETICS AND
GROWING TECHNOLOGY FOR
AGRICULTURAL CROPS"**

April 29, 2022

**Tsentralne village, Kyiv region,
Ukraine**

DEAR COLLEAGUES!

We would like to invite you to participate in the X Applied Science International Conference of Young Scientists and Experts on «**BREEDING, GENETICS AND GROWING TECHNOLOGY FOR AGRICULTURAL CROPS**»

DATA AND LOCATION

April 29, 2022 at the V.M. Remeslo Myronivka Institute of Wheat. The Conference will be held on-line

PURPOSE OF THE CONFERENCE

- ✓ determining current trends of the agrarian science development;
- ✓ sharing the research developments among the young scientists of Ukraine and neighboring countries.

THE CONFERENCE TOPICS

1. Breeding and Seed Production
2. Genetics and Physiology of Plants
3. Biotechnology
4. Plant Protection
5. Plant Production and Arable Farming, Feed Production
6. Horticulture, Orchardring
7. Mechanization of agrarian production
8. Economics of agrarian production
9. Opinions of the young scientists on the development of modern agrarian science

LANGUAGES OF THE CONFERENCE:

Ukrainian, English, Russian

THE APPLICATION TO THE CONFERENCE

Please, send an Abstract by electronic means to the Organizing Committee
myronivka_konf@ukr.net
by April 20, 2022

The publication is free of charge.

Prior to opening the Conference, the Conference Proceeding Book is to be published, which will be made available for the participants during the Conference.

The contributors are encouraged to submit their articles associated with subject matter of their theses. Where the articles comply with the requirements, they are to be published in the **Plant Varieties Studying and Protection** (<http://journal.sops.gov.ua/>) and **Myronivka Bulletin** (www.mip.com.ua)

REQUIREMENTS TO FILING YOUR ABSTRACTS

The materials eligible for publication are Microsoft Word documents, 1 full page without tables, graphics, pictures, references (A-4 sheet (210×297 mm), margined as follows: upper, lower and right – 1.5 cm, left – 2 cm, Times New Roman font of type, 14 pt point size 14 pt, single spacing, 1.25 cm first line indent). Variety names is put ‘air quotes’.

The author is responsible for the contents. The Organizing Committee reserves the right to reject submitted materials, which do not meet the requirements.

Abstract layout:

- UDC index;
- the author(s) surname(s) and initials, academic degree, academic title, position;
- name of the organization of employment for the author;
- e-mail of corresponding author;
- abstract title;
- body of the abstract should briefly highlight the relevance of the topic, the purpose of the work (delivery of the problem), materials and methods of research, the results of the research, conclusions (or objective/problem, which is put forward for further resolution) are substantiated.
- the attached file has to be named with the surname of the first author. Examples of due file naming follows: **Smith_Tezy**.

Example of arrangement follows:

UDC 633.11:631.529

Gumenuk, O.¹, PhD of Agriculture, Head of the Winter Wheat Breeding Laboratory,
Prysiazhniuk, L.², PhD in agricultural sciences, senior researcher, head of Laboratory of Molecular Genetic Analysis
