Scientific conference

**"LAND MANAGEMENT, CADASTRE AND LAND CONSERVATION IN UKRAINE:
CURRENT STATE, EUROPEAN PERSPECTIVES"**

FIRST CALL

**23-24 September 2016
Kyiv**

Dear colleagues,

we invite you to participate in our international conference **"Land management, cadastre and land conservation in Ukraine: current state, European perspectives"** Sep 23-24 2016, to 20th anniversary of **Land Management faculty, Kyiv, Vasylkivska str., 17. Working languages: Ukrainian, English, Polish, Russian.**

Conference scope:

- issues of land management, cadastre and land conservation in Ukraine and in the world;
- new approaches to land-use evaluation and land-use transformation processes;
- land cadastre and real estate evaluation improvement;
- atlas mapping of natural resources;
- current land relations adaptation to the best European practices;
- land conservation and effectiveness of land-use.

Organization Committee

Nikolaenko Stanislav.M., Rector of NULES, Head of committee;

Kziemen Kazimir, Jagiellonian university, Krakow, Poland – Vice-Head

Babinski Zygmunt, Kazierz Velky University, Bydgosz, Poland – Vice-Head

Ievsiukov Taras O., Dean of Land Management faculty, NULES

Kovalchuk Ivan P.– Head of Department of Geodesy and Cartography, Deputy Dean for scientific activities of Land Management faculty of NULES

Members of organizing committee

Solovey Tetiana, Geological institute, Warszaw, Poland

Chalov R.S., Lomonosov Moskow state university (Russia)

Laychak Adam, Institute of Geography of Pedagogical university of National educational committee, Krakow, Poland

De Meyer Phillip, Ghent University, Ghent, Belgium

Feger Carl-Heinz, Dresden technical university, Germany

Medynska Natalia V., Deputy Dean for educational activities of Land Management faculty of NULES

Kokhan Svitlana S, Head of department of geoinformatics

Dorosh Olga Head of department of land resources management

Zayats Victor, Head of department of land cadastre

Martyn Andrii, Head of department of land-use planning

Khvesyuk Mykhailo A., Director of State institution “Institute of economy of nature use and sustainable development”

Yatsuk Igor P., General Director of State institution “Soils protection institute”

Secretary of conference

Butenko Ievgen V., Associate Prof., Department of land resources management

Zhuk Oleksii P., Associate Prof., Department of geodesy and cartography

Tykhenko Ruslan V., Associate Prof., Department of land resources management

Important dates

25 June 2016 – application and theses

15 August 2016 – final programme of conference

10 September 2016 – publication of theses

22 September 2016 – arrival of participants, accommodation

23 September 2016 – conference reports

24 September 2016 – closing ceremony, excursions

Main conference topics:

1. Land management and spatial planning.
2. Land cadastre and real estate evaluation.
3. FORMong of national spatial data infrastructure
4. Atlas electronic mapping of natural resources (administrative level and watershed approach).
5. Land resources management and authority decentralization.
6. Current land relations adaptation to the best European practices;.
7. Topography, geodetic, aerocomic, and cartography supply of land use.
8. Transformation processes in rural areas – social, demographic, economy and land-use aspects.
9. Perspectives of land conservation and landscape biodiversity protection.

Registration fee:

Registration fee from each participant should be paid as follows.

PARTICIPATION	FEE, UAH
Regular verbal report	220
Publication of theses only	140
Verbal report (student)	105
Publication of theses only (student)	75

Address of organization committee

03040, Vasylykivska str., 17, Kyiv, Ukraine,
NULES of Ukraine, Educational building 6, room 114.

E-mail: zv.conf.20@gmail.com ; oleksiy_zhuk@ukr.net

Moderators: Teras Ievsiukov, Ivan Kovalchuk, Andrii Martyn, Olga Dorosh, Victor Zayats, Svetlana Kokhan.

Secratry: Vyacheslav Bogdanets, Ievhen Butenko, Oleksii ZHuk, Ruslan Tykhenko

Technical secretary: K.Mysko, A. Yastreb.

Registration form:

<https://goo.gl/fdLw9h>

Theses will be published as proceeding of the conference before conference beginning/

Paper should correspond the following requirements:

- 3 pages A4, all margins 2 см;
- текст доповіді, анотація (до 50 слів), таблиці і малюнки виступають як один об'єкт;
- document as .doc or .docx Microsoft Word file, font - Times New Roman, 14, single interval.
- Each participant may apply article to Scientific journal "Land management, cadastre and land monitoring", 8-10 pages.

Structure of material

- Information about authors, first and last name, scientific degree, organization – font size 14, bold, centered, capital letters.
- Title– font size 14, bold, centered, capital letters.
- Abstract (in English) – font size 14, italic, justified, 10mm indentation, up to 5 rows of text.
