

Educational workers list for full-time education

Training course (bachelors): **forestry and park gardening**

During: 01.09.2011-30.06.2012.

Date of filling out: 27.04.12.

1		2					3		4
Educational research worker		Subject, term, course, total number of hours					Qualification of educational research worker		Others characteristics and notes which linked with teaching subjects
Name	Employment (F, P)	The name of the subject in bachelor educational and qualification level training schedule	Course	Total number of hours	Training cycles (A,B, C)	Part (I, II)	Degree and name of the research institution where the degree was awarded; information about additional studies (if needed)	Dissertation subject	
Khvist V.O.	F (0,75)	Ukrainian History	I	108	A	I	PhD, Taras Shevchenko National University of Kyiv	Population structure demographic changes in an independent Ukraine: Ukraine studying aspect	Sociodemographic transformation of Ukrainian village (in the beginning of 1990 th)
Pankratova O.L.	F	Ukrainian language	I	72	A	I	Senior teacher	Hydropower enterprises management in region economic security system	Conscious treatment development of young specialist to future profession self-regulation
Syrovatsky S.A.	F	Culturology	I	72	A	I	PhD, assistant professor	Bourgeois falsification critics of collective farm villagers place and role in social and political life of soviet society	Textbook, 2009

Geyko S.M.	F	Phylosophy	II I	108 90	A	I	PhD, National Dragomanov Pedagogical University	An «irony» conception as cultural universal: philosophy analysis	Educational activity modernization in context of European integration, 2010
Koval' O.M.		Economics	III	108	A	I	PhD, assistant professor of Economics Department of NUBiP of Ukraine	Broadening reproduction effectiveness in agricultural enterprises	Textbook «Macroeconomics», 2011
Syekunova Y.V.	F	Politology	IV	90	A	I	PhD, Kyiv National University of Culture and Arts	Historico-cultural heredity of L. Bykovskii	Textbook «Sociology», 2008
Petlyuk Y.S.		Jurisprudence	IV	90	A	I	PhD, assistant professor of Agricultural, land and ecological law of academician V.Z. Yanchuk	Health-improving lands legal regime	Methodological complex of subject «Actual problems of land law», 2010
Boyko I.I.		Sociology	IV	90	A	I	PhD, assistant professor of Department of Social Education and Information Technologies in Education	Humanistic direction increasing of Communist Party of the Soviet Union politics social improvement	«Innovation direction of pedagogical activity», 2011
Bilichenko A.M.	F	Foreign language	I	266	A	I	PhD, The Institute of Higher Education of Ukraine Academy of Pedagogical Siences	Gogockii S.S. pedagogical opinions and educational activity in higher educational institution of Ukraine	Science discipline schedule «English for scientific field», 2010

								(1837 – 1889)	
Chyrva P.A.		Physical training	II	284	A	I
Meysh V.F.	P	Higher mathematics	I	216	B	I	Doctor of Sciences, Institute of Mechanics of Name of S.P.Timoshenko NAS of Ukraine	Heterogeneous shell structures dynamics during non-stationary loading	Three-layering cylindrical structure non-linear fluctuation numerical analyses with discrete working filler, 2000
Boyko V.V.	F	Physics	I	216	B	I	Phd, Taras Shevchenko National University of Kyiv	Structure of the centres of absorption and interaction of local and crystal fluctuations in alkali-halide crystals with an impurity of polyatomic anions T _d and C _{3v} symmetry	Physics. Basic concepts and laws, 2007
Antrapceva N.M.	F	Chemistry	I	216	B	I	Doctor of Sciences V.I. Vernadsky Institute of General and Inorganic Chemistry	Hydrated solid solutions and bivalent metal double phosphate synthesis and thermolysis	On-line educational course «Chemistry», 2010
Volodymyrenko V.M.	F	Informatics	I	144	B	I	PhD, NUBiP of Ukraine	Peculiarity of growth and prognosis of productivity of Spruce modal artificial tree stands in Ukrainian Carpathians	Monograph «Artificial spruce stands of Ukrainian Carpathians – growth and productivity prognosis», 2008
Svynchuk V.A.	F	Biometry	II	144	B	I	PhD, assistant professor of Taxation and Forest Organization Department, NUBiP	Peculiarity of biometric structure, wood sort and merchantability structure of artificial Pine forest stands in the	Work program, instructional guidelines of practical training and independent work of discipline «Biometry»,

							of Ukraine	Western and Central Polissia of Ukraine	2012
Solomenko L.I.	F	General ecology	II	108	B	I	PhD, NUBiP of Ukraine	Organophosphate insecticide dynamics and its influence on toxication of winter wheat seedlings metabolism	Organophosphate insecticide usage control in agricultural systems of NUBiP of Ukraine, 2010
Boyko O.A.		Plant phisiology	II	180	B	I	PhD, Taras Shevchenko National University of Kyiv	«Viruses ecology and viruses diseases diagnosis of champignons»	«White colour heredity of Lunaria plant corolla», 2005.
Pariy M.F.	F	Genetics	II	144	B	I	PhD, assistant professor, vice-head of Selection and genetics department	Genetic system of controlled corn propagation on the basis of functional male sterility genes	Patent of Ukraine # 91861, 2010 for «Method of higher plant heterozygous form reproduction (variants)»
Chernysh O.M.		Engineering mechanics	I	72	B	I	PhD, G.S. Pisarenko Institute for Problems of Strength of the National Academy of Sciences of Ukraine	Durability and safety estimation of axial flow compressor large-size blades	«Engineering mechanics», 2011.
Piskunova L.E.	F	Emergency management	II	72	B	I	PhD, assistant professor, Institute of Agroecology of UAAS	Ecotoxicological explanation of pesticides usage in cereal crops according to different technologies growing in Forest-steppe zone of Ukraine	Valueology, 2011
Vasyliv P.A.		Descriptive geometry	I	108	B	I	PhD, assistant professor of Hydraulics and	Vertical water disc pulvelizer design for air humidity in vegetable	Descriptive geometry and engineering graphics, 2010

							hydraulic machines Department	store	
Rafal's'ka L.P.	F	Geodesy	I	144	B	I	PhD, NUBiP of Ukraine	Pubescent oak in Moldavian forests and its usage in forest cultures	Geodesy: Textbook, 2008.
Aleynikov I.M.	F	Botany	Bc.	I	216	B	I	PhD, assistant professor of Botany Department of NUBiP of Ukraine	Carotenoids function in plant photosynthesis
Nesterov G.I.	F	Forest soil science	II	216	B	I	PhD, NUBiP of Ukraine	Typical chernozem fertility elements changes using minimal tillage	Water soluble organic matter dynamics in typical chernozem different tillage systems, 2009
Kovalevsky S.B.	F	Dendrology	II	144	B	I	Doctor of sciences, professor of Dendrology and forest selection Department, NUBiP of Ukraine	Silvicultural-ecological role of grass cover in pine artificial stands of Eastern Polissya	Monograph «Pine artificial stands in Ukraine», 2002
Svystunova I.V.		Meteorology	I	72	B	I	PhD, senior teacher of Fodder production and melioration Department	Carrying capacity of winter triticale on green fodder according to growing process in Right-Bank Forest- steppe zone of Ukraine condition	Hydrothermal influence on winter triticale seedlings density, 2010

Reshetnyk L.L.	F	Forest phytopathology	III	144	C	I	PhD, assistant professor of Forest Biology and Game Management Department, NUBiP of Ukraine	<i>Pinus sylvestris</i> L. seed productivity in Ukrainian Central Polissya and methods of its determination	1. Methodological instructive regulations «Forest phytopathology», 2011 2. Textbook «Forest phytopathology», 2010
Maksymchuk N.V.	F	Forest entomology	III	144	C	I	PhD, assistant professor of Forest Biology and Game Management Department, NUBiP of Ukraine	Ecology-biological and agrotechnic bases of growing of Scots pine in temporary nurseries of Kiev Polissya	1. Methodological instructive regulations «Forest entomology», 2011 2. Textbook «Forest pathology observation», 2010
Kurdyuk O.M.	F	Forest selection	II	162	C	I	PhD, senior staff scientist, M.M. Gryshko National Botanical Garden of the National Academy of Sciences of Ukraine	Biology of flowering and fruiting East Asian maples introduced in Ukraine	Monograph «Theoretical Foundations of experience and the introduction of woody plants in Ukraine», 2010
Tyschenko V.M.	P	Forest zoology	II	144	C	I	PhD, assistant professor of Forest biology and Game Management Department of NUBiP of Ukraine	Ecological-faunistic description of bats (<i>Chiroptera</i>) and their silvicultural importance under conditions of Western Podillia, 2006	<i>Vespertilio murinus</i> and <i>Nyctalus noctula</i> first findings during hibernation in Kyiv, 2008
Bagats'ka O.M.	F	Landscape gardening in public places	III	144	C	I	PhD, assistant professor of Landscape Architecture and Park-Gardening Construction Department	Features of growth and development of introductive types of woody lianas and prospect of their use in planting of greenery of Kyiv city	Monograph «Features of growth and development of introductive types of woody lianas and prospect of their use in planting of greenery of Kyiv city», 2009

Vasylyshyn R.D.	P	Forestry and landscape gardening economics	IV	144	C	I	PhD, assistant professor of Forest management Department of NUBiP of Ukraine	The productivity and aboveground phytomass of Silver Fir stands of Ukrainian Carpathians	Methodological instructive regulations on «Forestry and landscape gardening economics» discipline, 2012
Kremenets'ka Y.O.	F	Silvics	III	162	C	II	PhD, assistant professor of Silviculture Department of NUBiP of Ukraine	Silvicultural features of natural foreststands in the Kiev city green zone and scientific foundations of improvement their condition	Forest certification institutional development in Ukraine, 2009
Voynalovych O.V.	F	Laborprotection principles	IV	72	C	I	PhD, G.S. Pisarenko Institute for Problems of Strength of the National Academy of Sciences of Ukraine	Operational and technological factors shortcut method usage for titanium alloy strength	Productive process safety. Textbook, 2009
Maurer V.M.	F	Ornamental nurseries and seed production	III	126	C	II	PhD, professor of NUBiP of Ukraine	Improved biological and environmental sustainability of English oak trees in the green zone of Kyiv silvicultural methods	Methodological instructive regulations for coursework «Ornamental nurseries», 2010
Manita O.G.	F	Landscape taxation	III	126	C	II	PhD, assistant professor of Taxation and Forest Organization Department, NUBiP of Ukraine	Current increment of pine forest stands of Ukrainian Polissya	Scientific-methods complex on «Forest monitoring» discipline, 2010
Vygovsky A.Y.	F	Park-gardening mechanization	II	144	C	II	PhD, assistant professor of Forestry production technology of NUBiP	Substantiation of technological process and parameters of the combined purifier to the	Logging operation technological analysis in government enterprise «Inavkivs'ke forest

							of Ukraine	lots of forage beets	husbandry», 2011.
Kremenets'ka Y.O.	F	Recreational silviculture	III	144	C	II	PhD, assistant professor of Silviculture department of NUBiP of Ukraine	ilvicultural features of natural foreststands in the Kiev city green zone and scientific foundations of improvement their condition	Forest certification institutional development in Ukraine, 2009
Kovalevsky S.B.	F	Dendrology	II	216	C	II	Doctor of sciences, professor of Dendrology and forest selection Department, NUBiP of Ukraine	Silvicultural-ecological role of grass cover in pine artificial stands of Eastern Polessya.	Monograph «Pine artificial stands in Ukraine», 2002
Gatal'ska N.V.	F	Visual art principles	II	126	C	II	Assistant of Landscape Architecture and Park-Gardening Construction Department	Introductions of park-sights of landscape and architecture art in the conditions of Central highland of Dniپر river (design characteristics, integral assessment, prospects of use)	Periodicity formation of monumental parks in landscape gardening art at the territory of central highland of Dniپر river, 2011
Sydorenko I.O.	F	Landscape architecture	IV	216	C	II	PhD of Landscape Architecture and Park-Gardening Construction Department	The species of genus <i>Rhododendron</i> L. ex situ of Kyiv (biology of development, outecology, estimation of introduction and decorativeness)	Methodological recommendations of laboratory work in «Landscape architecture» discipline
Chygryn N.O.	F	Floriculture	III	198	C	II	PhD of of NUBiP of Ukraine	Parasitic phytonematodes in temporary forest nurseries Central	Methodological recommendations of practical training on «Floriculture» discipline,

								Polissya of Ukraine	2011
Korin'ko O.M.	F	Meadow cultivation and lawns	III	108	C	II	PhD, The National Academy of Sciences of Ukraine	Beech forest Podolian Upland (floristic ecological and coenological peculiarities, scientific principles of conservation)	Monograph «Dendrosozological catalogue of nature protected areas in Forest-steppe zone of Ukraine», 2011
Pihalo O.V.	F	Landscaping	IV	216	C	II	PhD of Landscape and Architecture and Park-Gardening Construction Department	Biological and ecological features of street plantings growth in Kiev historical part	Kyiv historical part dendroflora taxonomical analysis, 2010
Troshkina O.A.	P	Town planning principles	III	108	C	II	PhD, assistant professor of Architecture Department	Peculiarities of semantic in forming the image of Ukrainian representative architecture	Monograph «Semantics of representative architecture», 2011
Dudaretc' S.M.	F	Gardens hydraulic facilities	III	90	C	II	PhD, assistant professor of Forest reclamation and optimization lislagrarni landshafti, NUBiP of Ukraine	Influence of stands composition on their state and protective properties in East part of Right-bank Forest steppe zone	Forest meliorations. Textbook, 2010
Troshkina O.A.	P	Landscape graphics	III	108	C	II	PhD, assistant professor of Architecture Department	Peculiarities of semantic in forming the image of Ukrainian representative architecture	Monograph «Semantics of representative architecture», 2011
Krupkina L.I.	F	Ornamental plants of protected ground	IV	108	C	II	PhD, Moldova Botanical Garden	Exogenous factors influence on sumistkist transplamtanmbion	Methodological recommendations of practical training in

								some <i>Rosa</i> species	«Floriculture» discipline, coursework «Greenhouse facility» and laboratory work in «Ornamental plants of protected ground» discipline, 2011
Matushevych L.M.	F	Landscape objects inventory	IV	90	C	II	PhD, assistant professor of Taxation and Forest Organization Department, NUBiP of Ukraine	Processes of growth and productivity forming of Birch in Ukrainian Polissya	Monograph «Birch stands phytomass in Ukrainian Polissya», 2006
Brovko F.M.	F	Afforestation principles	IV	90	C	II	Doctor of sciences, professor of Reforestation and afforestation Department	Phytocenosis foundation of afforestation on dump terraces on the landscapes of the Pridniprovskaja highlands of Ukraine	Afforestation principles, 2010
Zibceva O.V.	F	Park-gardening organization	IV	72	C	II	PhD, assistant professor of Landscape Architecture and Park-Gardening Construction Department	The growing of genetically improved Scots pine planting stock and its silvicultural-breeding evaluation	«New growth regulators research», 2011
Romanets' O.M.		Urboecology and phytomelioration	IV	72			PhD, assistant of Forest reclamation and lislagrarni landshafti, NUBiP of Ukraine	Phytomelioration peculiarities and urboecological potential of pine stands of green zone around Kiev	Soils hydrophysical features and pine stands productivity of green zone around Kiev, 2011
Dzyba A.A.	F	Topiary	IV	72	C	II	PhD of NUBiP of	The results and	Methodological

							Ukraine	prospects of the use of introductive species in Kyiv city forests	recommendations of practical training on «Varietal plant breeding and seed studies of ornamental plants» discipline, 2011
Sydorenko I.O.	F	Composition principles	IV	72	C	II	PhD of Landscape Architecture and Park-Gardening Construction Department	The species of genus <i>Rhododendron</i> L. ex situ of Kyiv (biology of development, outecology, estimation of introduction and decorativeness)	Methodological recommendations of laboratory work in «Landscape architecture» discipline
Demchenko O.O.	F	Introduction and adaptation of ornamental plants	IV	72	C	II	PhD, assistant professor of Dendrology and forest selection department of NUBiP of Ukraine	Biological features of the species <i>Viburnum</i> L. with regard of their introduction in the Right-bank Forest-Steppe in Ukraine.	Dendrological projecting principles. Textbook, 2010
Pihalo O.V.	F	Landscape gardening objects technical equipment	IV	72	C	II	PhD of Landscape Architecture and Park-Gardening Construction Department	Biological and ecological features of street plantings growth in Kiev historical part	Kyiv historical part dendroflora taxonomical analysis, 2010
Kovalevsky S.B.	F	Professional training principles	I	72	C	II	Doctor of sciences, professor of Dendrology and forest selection Department, NUBiP of Ukraine	Silvicultural-ecological role of grass cover in pine artificial stands of Eastern Polissya	Monograph «Pine artificial stands in Ukraine», 2002
