23-25 April, 2018 (Kyiv)

DEAR COLLEAGUES!

Education and Research Institute of Forestry and Landscape-Park Management of the National University of Life and Environmental Sciences of Ukraine invites You to take part in the International scientific and practical conference "FLORISTIC AND COENOTIC DIVERSITY IN RESTORATION AND PLANT PRESERVATION". The conference is dedicated to the 120th anniversary of National University of Life and Environmental Sciences of Ukraine and Department of Botany.

Conference topics:

1. Floristic and geobotanical aspects.
2. Introduction, adventitious plants and their phytointvasions.
3. Preservation and rational use of plant diversity.
4. Restoration of forest ecosystems on disturbed territories from amber extraction.

The program of the conference includes plenary sessions, session oral presentation, poster presentation, publication of abstracts or articles without attendance and excursions to the botanical gardens of Kyiv.

The organizing committee plans to publish conference abstracts and collective monograph before the conference. Editorial committee reserves the right to edit materials and reject those that does not meet the criteria of acceptance for publication on the conference.

For participating in the conference You need to fill out Google Form:
<https://docs.google.com/forms/d/e/1FAIpQLSdpKOTWt8NuMebJfx7zhd3xc7ESyxKd39ihZTN-0fxIUbi5A/viewform?c=0&w=1>

Conference languages - Ukrainian, English.

Second Announcement will send to registered participants after 25 November, 2017.

The registration fee: for EU and USA citizens 100 €, for CIS countries – 300 UAH, for participants from Ukraine - 200 UAH, which includes the cost of the conference proceedings, excursions and may be paid on site.

Students participate in the conference without a registration fee. Conference participants should arrange their accommodation in hotels of Kyiv city at their own expense.
