The CASEE network invites all CASEE students and staff members to participate in a photo contest to find the most representative images for CASEE.

CASEE is a network of 30 Life Science Universities in Central and South Eastern Europe. The aims of network are:

- to strengthen research, education and University Development in this region
- to develop joint research, educational and other projects (e.g. joint curricula, joint continuous educational offers, structural development, human resource development, QA, know-how-transfer, e.g. via an e-platform...)

In the contest we are looking for pictures which illustrate one or more of these aims and point out the common grounds of the Danube region and Life Sciences.

Next to our logo the pictures will form the basis for CASEE's corporate design and will be used on our homepage and on printing material.

The winning photograph will be presented at the CASEE Conference, April 28-20 in Gödöllő, Hungary. The winner will get a free registration to this Conference and a surprise.
