## ORGANIC PRODUCTION AND FOOD SECURITY

**Fourth International Scientific  
and Practical Conference  
May 12–13, 2016**

## Dear Colleagues

On May 12–13, 2016 Zhytomyr National Agroecological University holds the Fourth International Scientific and Practical Conference «Organic Production and Food Security».

The purpose of the conference is to acquaint its participants with the results of research and practical work and to exchange views concerning the ways in which urgent problems of organic production might be solved.

### Issues to be discussed

Problems and prospects for organic production development.

The role of organic production in the food security assurance.

Organic production technologies in agronomy.

Peculiarities of organic livestock production.

Marketing organic produce.

### Participation Terms:

To participate in the conference you need to send an e-mail to [nauka\\_znau@ukr.net](mailto:nauka_znau@ukr.net) containing the following documents:

- application for participation in the conference;
- report theses;
- copy of the receipt for the payment of 100 UAH registration fee (foreign participants can pay the registration fee when registering at the conference).

Deadline – April 1, 2016

Working languages:  
Ukrainian, Russian, English.

Travel and accommodation expenses shall be covered by the participants themselves.

## Fair

Organic Products Fair will be held during the conference

### Requirements for the official registration of the report thesis

The thesis amounting to 5 pages shall be printed in MS Word text processor in Times New Roman print, in 10 pt font metric on a sheet of paper of A5 format (148\*210 mm). Width of fields – 20 mm all. Single interline. Paragraph indent – 1 cm. Requirement to tables: Times New Roman print, 10 pt. Tables must not exceed text limits.

The title of the report shall be given in half-bold capital letters and centre-levelled.

Initials, the surname, scientific degree, academic status of the author and the name of the institution where the author works shall be given at one interline in the right side under the title of the report.

The text of the report shall be printed below, a line skipped.

References in the text shall be given in square brackets, their number in the list and the page being specified.

The text shall be edited scientifically, stylistically and technically.
