INVITATION

IV INTERNATIONAL SCIENTIFIC- PRACTICAL CONFERENCE

«DIGITAL TECHNOLOGIES IN ENERGY AND AUTOMATION»

June 5, 2026

DEAR COLLEAGUES!

Запрошуємо вас взяти участь у IV International Scientific and Practical Conference «DIGITAL TECHNOLOGIES IN ENERGY AND AUTOMATION».

THE PURPOSE OF THE CONFERENCE is to combine the efforts and capabilities of its participants to find innovative solutions for the implementation of developments and projects in the field of digitalisation of energy systems and high-tech industries, management of their energy efficiency based on modern intelligent technologies, and increasing research and professional potential to ensure the course towards further decarbonisation of the economy as a necessary condition for the European integration of our state.

CONFERENCE SECTIONS

1. Digital energy and polygeneration systems;
 2. Energy informatics;
 3. Automation systems and artificial intelligence;
 4. Energy efficiency management of electrical engineering complexes;
 5. Thermal energy innovations;
 6. Theory and practice of teaching basic disciplines for engineering specialities;
- For young scientists**
7. Current research by young scientists.

CONFERENCE SCHEDULE

- Registration of participants in [Google form](https://nubip-edu-ua.zoom.us/j/89016273572?pwd=Sl7Mr8OugsauXmQPOWUjRRCrj7J0qjQ.1) by 10 April 2026;
- Submission of materials for initial review by 1 May 2026;
- Plenary and sectional meetings of the conference on 5 June 2026.

PUBLICATION OF CONFERENCE MATERIALS:

Conference participants are given the opportunity to publish their reports as full-length articles in international publications:

- the international scientific journal «Machinery & Energetics» (<https://technicalscience.com.ua/uk>);
- the professional electronic scientific journal «Energy and Automation» (<http://journals.nubip.edu.ua/index.php/Energiya>);
- the scientific journal «System Research in Energy» (<https://srenergy.org.ua>).

PUBLICATION COSTS:

- the international scientific journal «Machinery & Energetics» - free;
- the professional electronic scientific journal «Energy and Automation» - 350 UAN (per article);
- the scientific journal «System Research in Energy» - free.

REQUIREMENTS FOR THE ABSTRACT:

The abstract should be one to two pages long in A4 format, including figures, tables, and a list of references.

2. Abstracts should be typed in Microsoft Word, Calibri font (main text), 10 pt, single spacing. Text margins: top – 20 mm, bottom – 20 mm, left – 22 mm, right – 23 mm; paragraph – 12.5 mm.
