

International conference

“CLOSE TO NATURE FORESTRY: CHALLENGES AND FUTURE PROSPECTS”

April 25-26, 2024

Organizers:

- National University of Life and Environmental Sciences of Ukraine
- Institute of Forestry and Landscape-Park Management
- State Forest Resources Agency of Ukraine
- SFE “Forests of Ukraine”
- Ukrainian Foresters Society
- Boyarska Forest Research Station

Venue:

The conference will be held from 25th to 26th April 2024 at the Institute of Forestry and Landscape-Park Management, National University of Life and Environmental Sciences of Ukraine. Horikhuvatskyi Shliakh 19, Kyiv, Ukraine

Kyiv, Ukraine

About the conference

International conference brings together scientists, practitioners and stakeholders to share recent research and discuss the challenges and possible modes of adaptation to ongoing environmental, economic and socio-political crises through Close to Nature Forestry approaches.

Contributions are welcome on a range of topics related to the themes of the Close to Nature Forestry Research Agenda, including presentations of practical examples and case studies of ongoing and completed projects. The Conference will include academic sessions in online/offline formats and field tours in the forests of “Boyarska Forest Research Station” and Branch “Teterivske Forestry” of the SFE “Forests of Ukraine”.

Format of the conference:

Day 1 - mixed (in-person/online);
Day 2 - in-person (field visit of forest plots).

Languages: Ukrainian, English.

Key conference topics:

- *Forest regeneration, biodiversity conservation and ecosystem functions of forests*
- *Selection and transformation cutting*
- *Natural forest regeneration*
