INTERNATIONALIZATION STRATEGY

NATIONAL UNIVERSITY OF LIFE AND ENVIRONMENTAL SCIENCES OF UKRAINE

ATTRACTING INTERNATIONAL STUDENTS

- Active use of Ukraine's embassy connections.
- Engaging professors, interns, graduates, and university staff working abroad.
- Promoting bachelor's and master's degree programs to foreign citizens.

PROMOTING INTERNATIONAL PROGRAMS

- Increasing participation in Erasmus+ and other mobility programs.
- Organizing international summer schools and workshops.
- Supporting dual-degree programs with partner universities.

STRENGTHENING COLLABORATION WITH PARTNER UNIVERSITIES

- Expanding bilateral agreements with foreign universities.
- Increasing opportunities for academic staff, scientists, and postgraduate students to:
- Participate in joint international research projects.
- Cooperate in global scientific initiatives.
- Take part in international competitions.

DEVELOPING GLOBAL PARTNERSHIPS

- Hosting international conferences and forums.
- Encouraging exchange programs for students and staff.
- Celebrating cultural diversity through events and collaborations

ENHANCING LANGUAGE PROFICIENCY

- Creating opportunities for self-study of foreign languages
- Introducing language internships for university staff and faculty.
- Implementing clear goals and steps for linguistic development.

FOSTERING CULTURAL EXCHANGE

- Organising international conferences and forums.
- Promoting exchange programmes for students and staff.

BUILDING ACADEMIC REPUTATION

- Strengthening the university's global presence in education and science.
- Enhancing competitiveness in the global academic space.
- Improving the university's position in international rankings (QS, Academic Ranking of World Universities, etc.).
