

**Dear colleagues!**

We invite you to participate in the International scientific-practical conference "*Forest Restoration and Melioration in Ukraine: Origins, Current State Challenges of the Present and Prospects in the Anthropocene*" devoted to the 100th anniversary of the Department of Forest Restoration and Melioration, which will be held on **November 6–8, 2019** at Education and Research Institute of Forestry and Park Gardening of National University of Life and Environmental Science of Ukraine.

**Aim of the conference:** to discuss the current state, problems and perspectives of the forests restoration and melioration in Ukraine and in the world, coverage of scientific materials and practical results on the introduction of new approaches and innovative technologies of forest seed production, nursery tree production, forestry seedlings production, forest energetic plantations, forest reclamation, agroforestry and arrangement of protective and erosion control forest plantations.

**During the conference it is planned:**

- to exchange views on the priority directions of scientific research;
- to establish new and develop existing contacts on scientific cooperation between educational establishments, scientific institutions, enterprises of Ukraine, colleagues from near and far abroad;
- discuss issues related to the implementation of scientific developments, the provision of consulting and advisory services and the establishment of business contacts.

**Directions of the conference**

- *Forest breeding, seed production, nursery production and perspective methods and technologies of propagation and cultivation of forest and decorative planting material.*
- *Nowadays, the main challenges and prospects of forests restoration in Ukraine and abroad.*
- *Current approaches and reforestation and afforestation technologies and their ecological-forestry-economic significance.*
- *Eco-adaptive forest restoration and plantations forestry as a conceptual framework of sustainable forest management.*
- *Forest land recultivation and its importance in the Anthropocene.*
- *Forest Melioration in Ukraine: origins, current status, challenges and perspectives.*
- *Current state, problems and prospects of agroforestry development in Ukraine.*
- *Theoretical and technological aspects of afforestation on ravine-gully systems.*
- *Current scientific and methodological approaches to the teaching of professional disciplines: traditions, experience, problems and perspectives.*

**Collective monograph**

The outcome of the conference will be the writing of a collective monograph of the same name.

The Guide (in Ukrainian) can be found by the [link](#).

**Important dates**

Deadline for registration by  
**September 20, 2019**

Acceptance of abstracts by  
**October 14, 2019**

Plenary session starts at **10 am**  
**November 7, 2019**

Sectional sessions and field trip  
**November 8, 2019**

**Participation in the conference**

To participate in the conference by **September 20, 2019** you need to complete [online registration form](#) and by **October 14, 2019** send texts of materials (abstracts) to the organization committee. Conference proceedings in a PDF-file will be sent to all participants free of charge.

**Registration fee** for foreigners is 25 €, for participants from Ukraine 150 UAH, for postgraduate students – 50 UAH. For students and distance participation in the conference is free.

**Requirements for conference materials**

Abstracts are accepted in Ukrainian, English or Russian and have to include the title of publication, full name, academic degree and academic rank of authors (students provide information about supervisor: name, academic degree, academic rank), name of institution, city and country. Abstracts should be one or to two full pages of computer text editor Microsoft Word (\*.doc), font – Times New Roman Cyr, font size – 16, line spacing 1.0, without divisions. Size of margins left, right, top and bottom – 2.0 cm. Full papers should be submitted to the following address: [nnilispg.conf@gmail.com](mailto:nnilispg.conf@gmail.com)

By the anniversary of the Department of Forest Restoration and Melioration, an issue of the electronic scientific journal «*Forestry and Landscape Gardening*» will be formed. Information for authors can be found at: <http://journals.nubip.edu.ua/index.php/Lis>.

Acceptance of articles – by **October 1, 2019**.

***Conference languages: Ukrainian, Russian and English.***

## Organizing Committee

**Nikolaenko S.** – Rector of NULES of Ukraine, professor, Corresponding Member of NAPS Ukraine chairman of the organizing committee;

**Lakyda P.** – Director of Education and Research Institute of Forestry and Park Gardening NULES of Ukraine, professor, co-chairman of the organizing committee;

**Bondar V.** – Deputy Chairman of State Agency Forest Resources of Ukraine, co-chairman of the organizing committee;

**Vasylyshyn R.** – Director of Research Institute of Forestry and Landscape Gardening NULES of Ukraine, professor, co-chairman of the organizing committee;

**Maurer V.** – Head of the Department of Forest Restoration and Melioration NULES of Ukraine, professor, co-chairman of the organizing committee;

**Marchuk Y.** – Chairman of the Society of Forestry of Ukraine, Head of the Department of Botany, Dendrology and Forest Tree Breeding NULES of Ukraine, Associate professor, co-chairman of the organizing committee;

**Boyko O.** – Head of Kyiv Oblast and Kyiv Forestry and Hunting Management;

**Vedmid M.** – Dean of forestry faculty at Kharkov NAU;

**Holubchak O.** – Director of Ukrainian Scientific-Research Institute of Mountain Forestry named after P.P. Pasternak;

**Huz M.** – Head of Department of Forest Crops and Forest Breeding, Ukrainian National Forestry University, professor;

**Debryniuk Yu.** – Professor of Department of Forest Crops and Forest Breeding, Ukrainian National Forestry University;

**Dudarets S.** – Associate professor of the Department of Forest Restoration and Melioration NULES of Ukraine;

**Irklienko S.** – Director of Ukrainian center for training, retraining and advanced training of personnel in the forestry;

**Kaydyk O.** – Associate professor of the Department of Forest Restoration and Melioration NULES of Ukraine;

**Karpuk A.** – Director of Separated subdivision of NULES of Ukraine “Boyarka Forestry Research Station”, professor;

**Maksymenko V.** – Forest and Hunting Magazine Chief Editor;

**Pinchuk A.** – Postdoc of the Department of Forest Restoration and Melioration NULES of Ukraine, Associate professor;

**Polyakova L.** – Head of International Cooperation, Science and Public Relation Division at State Agency Forest Resources of Ukraine;

**Raspopina S.** – Head of Department of Forest Crops and Meliorations, Kharkiv National Agrarian University named after V.V. Dokuchaev, professor;

**Romanovsky V.** – Head of Forestry and Reforestation Division at State Agency Forest Resources of Ukraine;

**Tkach V.** – director of Ukrainian Research Institute of Forestry and Forest Melioration named after G. M. Vysotsky, professor, Corresponding Member of the National Academy of Sciences of Ukraine;

**Tkachuk V.** – Head of the Department of General Forestry, Zhytomyr National Agroecological University, professor;

**Turko V.** – Dean of Forestry Faculty, Zhytomyr National Agroecological University;

**Yukhnovskii V.** – Professor of the Department of Forest Restoration and Melioration NULES of Ukraine;

**Lobchenko G.** – Associate professor of the Department of Forest Restoration and Melioration NULES of Ukraine, Secretary.
