The 10 Biggest Misconceptions about Scholarships

1. Scholarships are only for the gifted
2. There are not many scholarships available
3. You must be socially committed
4. The funding will not be enough
5. It's time-consuming, and the outcome is uncertain
6. Applying for a scholarship takes too long
7. There are lots of applicants so my chances are slim
8. I must be in need to receive a scholarship.
9. Scholarships are only awarded at the beginning of a course
10. Scholarships are only available for living expenses
