# INVITATION

**KYIV  
2021**

## DEAR COLLEAGUES!

We invite scientists, graduate students and students to participate in the X International scientific-practical online conference of scientists, graduate students and students "Scientific achievements in solving pressing problems of production and processing of raw materials, standardization and food safety", held by the National University of Life and Environmental Sciences of Ukraine. April 23, 2021

In order to make a decision on including you in the conference participants and your report in the conference program, you need to send the following data to the e-mail address of the organizing committee [pioppapk@ukr.net](mailto:pioppapk@ukr.net):

**until April 14, 2021.**

- *application for participation in the conference;*
- *abstracts of reports.*

After receiving the materials, the Organizing Committee sends a confirmation letter to the participant's address within two days.

### **The works will be published in the author's edition.**

The authors are responsible for the scientific level of abstracts, the reliability of the results, the presence of plagiarism.

Scientific papers included in the conference program will be posted in pdf on the conference website before its start.

Also, anyone can publish an article in a scientific journal «Scientific journal «Animal Science and Food Technology» Registration requirements are posted on the conference website.

### EXAMPLE OF ABSTRACT DESIGN

**O. Ivanenko**, master's student  
**O. Petrenko**, Ph.D., Professor

*National University of Life and Environmental Sciences of Ukraine,  
Kyiv*

### IMPROVEMENT OF MEAT TECHNOLOGY ...

Text.....

**Conclusion**  
**LITERATURE**

## REQUIREMENTS FOR DESIGN OF CONFERENCE MATERIALS

Following the conference, a Collection of scientific papers of the conference by sections will be published.

Papers in Ukrainian, Russian, English and EU languages will be accepted for publication.

Papers should be printed on A4 sheets of no more than **two pages** with margins: top and bottom 2.5; right and left - 2.25, in the text editor Microsoft Word (font Times New Roman Sug, size (size) 14, line spacing 1.0).

### **The text of the materials should correspond to the following structure:**

- the **first line**: UDC in the upper left corner of the page, (14 bold font, style: UDC);
  - the **second line**: from the beginning of the page, on the left edge, in bold 14 font, initials and surnames of the author first, then the head (indicating the academic title and degree, position in the usual 14 font, style: authors);
  - the **third line**: on the left edge, 14 font, italics, full name of the organization, city, (style: name of the organization);
  - **fourth line**: empty;
  - **fifth line**: in the center, 14 font, bold, capital letters, title of the work (style: title of the report);
  - **sixth line**: empty;
  - **seventh line**: the usual 14 font, the text of the work. (Paragraph (indent) 1.25, style: text of the report);
  - **formulas** are executed in the Microsoft Equation formula editor with end-to-end numbering on the right edge (style: formula);
  - **Figures** should be placed in the text at one interval from the main text. Number with Arabic numerals through numbering. (word "Fig. 1" - 12 italics ordinary, the name of the picture - font 12, bold, style: picture). For example: Fig. 1. Details of the device;
  - **tables** are placed below the text in which the reference to it is given for the first time. The word "Table" and its number are printed on the right edge (14 font, italics). Below, in the center, the name of the table (14 font, italics, bold, style: table name).
  - **File name**: Section number, underscore, surname of the first author in Latin letters.
- Example:** 3\_Ivanenko.doc

## THE ORGANIZING COMMITTEE
