«SCIENTIFIC ACHIEVEMENTS IN SOLVING
CURRENT PROBLEMS OF PRODUCTION AND
PROCESSING OF RAW MATERIALS,
STANDARDIZATION AND FOOD SAFETY»

April 6-7, 2022

INVITATION

KYIV
2022

DEAR COLLEAGUES!

We invite scientists, graduate students and students to participate in the XI International scientific-practical online conference of scientists, graduate students and students "Scientific achievements in solving pressing problems of production and processing of raw materials, standardization and food safety", held by the National University of Life and Environmental Sciences of Ukraine. April 6-7, 2022

In order to make a decision on including you in the conference participants and your report in the conference program, you need to send the following data to the organizing committee e-mail pioppapk@ukr.net:

until March 28, 2022.

- **application for participation in the conference;**
- **abstracts.**

After receiving the materials, the Organizing Committee sends a confirmation letter to the participant's address within two days.

All papers will be published in the author's edition.

Authors are responsible for the scientific level of abstracts, the reliability of the results, the presence of plagiarism.

Scientific papers included in the conference program will be posted in PDF on the conference website before its start.

Also, anyone can publish an article in a scientific journal «Scientific journal «Animal Science and Food Technology» Registration requirements are posted on the conference website.
