

**Educational workers list**  
Full-time education characteristics

**Education direction (for bachelor): Forestry and Landscape Architecture**

**Name of Department: Forestry**

**Teaching subjects by passing through: 01.09.2011-30.06.2012, the completion date: 26.04.2012 by**

1		2					3		4
Educational research worker		Subject, term, course, total number of hours					Qualification of educational research worker		Others characteristics and notes which linked with teaching subjects
Name	Employment (F, P)	Subject	Course	Total number of hours	Training cycles (A,B,C)	Part (I, II)	Degree and name of the research institution where the degree was awarded; information about additional studies (if needed)	Dissertation subject	
Victoria Hvist	P	History of Ukraine	I	108	A	I	PhD, assistant professor of NUBiP of Ukraine	Demographic changes in composition the population of independent Ukraine : Ukrainian aspect"	Socialdemographic transformations of the Ukrainian village(1990th beginning of XXI of century)
Viktoria Hvist	P	History of the Ukrainian culture	I, II	72	A	I	PhD, assistant professor of NUBiP of Ukraine	Demographic changes in composition the population of independent Ukraine : Ukrainian aspect"	Socialdemographic transformations of the Ukrainian village(1990th beginning of XXI of century)
Svetlana Geyko		Philosophy	II	108	A	1	PhD, assistant professor of NUBiP of Ukraine	Concept "irony" as cultural universals : philosophical analysis	Modernisation of educational activity is in the context of eurointegration.

									Scientific magazine of the National pedagogical university of the name of M. Drahomanov. Series 5 Pedagogical sciences: realities and prospects. K., 2010
Olena Koval	F	Economic theory	III	108	A	1	PhD, assistant professor of NUBiP of Ukraine	Efficiency of the extended recreation is in agricultural enterprises	Methodical recommendations are from the study of discipline for the students of daily and in absentia forms of studies
Kostantin Semchinsky	F	Political science	IV	72	A	1	PhD, assistant professor of NUBiP of Ukraine	Ontology of religiously-philosophical concepts of war and world is in christianity and islam	Yatchenko V., Volobuev V., Bayrak I., Boyko I., Syekunova Y., Semchynskyy K. Sociology: Textbook Committee, 2008.
Ludmila Golovko	F	Basic of jurisprudence	III	90	A	1	PhD, assistant professor of NUBiP of Ukraine	Development of institute of right of ownership is in Ukraine, Slovakia and Czech Republic (comparative analysis)	Golovko L. Influence of the Europe legal systems and east tradition of right is on becoming of institute of right of ownership in Ukraine / // Economy and right : the Scientific magazine of HIIV of the name of M. Drahomanov. - 2008.

									Series № 18. Producing 6. - C. 99-104.
Viktor Volobyev	F	Sociology	IV	90	A	1	PhD, assistant professor of NUBiP of Ukraine	Forming of active vital position of student young people is in the process of teaching of scientific communism	Sociology. Practical work. - K., 2010.
Vladimir Meysh	P	Higher mathematics	I	216	B	1	Doctor of sciences	Dynamics heterogeneous shell constructions at the action of the non-stationary loading	Numerical analysis of non-stationary vibrations of the three-layered cylindrical structures with the discrete ribbed filler // Materials of III of the International scientific conference the name of an academician M. Kravchuk(on May, 11-14 in 2000, Kyiv). Kyiv:.. - 2000. - C. 324.
Vladimir Boyko	F	Physics	I	216	B	1	PhD, assistant professor of NUBiP of Ukraine	Structure of the centres of absorption and interaction of local and crystal fluctuations in alkali-halide crystals with an impurity of polyatomic anions $T_d$ and $C_{3v}$ symmetry	Physics. Basic concepts and laws. Methodical manual for the students of higher agrarian educational establishments of III-IV of levels of accreditation K. - 2007
Nadya Antrapceva	F	Chemistry	I	216	B	1	Doctor of chemical sciences	Synthesis and thermolysis of the aquated sosoloids and	An electronic educational course is "Chemistry": principles

								double phosphates of bivalent metals	of creation. Sevastopol, 2010. - p.412-415
Valentina Volodymyrenko	F	Informatics	I	144	B	1	PhD, assistant professor of NUBiP of Ukraine	Peculiarity of growth and prognosis of productivity of Spruce modal artificial tree stands in Ukrainian Carpathians	Compendium of lectures for the students "Forest and park and garden economy". - K.: NUBiP of Ukraine, 2010. - 154 p.
Viktor Svyinchuk	F	Biometrics	II	144	B	1	PhD, assistant professor of NUBiP of Ukraine	Peculiarity of biometric structure, wood sort and merchantability structure of artificial Pine forest stands in the Western and Central Polissia of Ukraine	Biometrics. Guidance for practical classes and independent work of students, K., 2012
Ludmila Solomenko	F	Common Ecology	II	108	B	1	PhD, assistant professor of NUBiP of Ukraine	Dynamics of organophosphorus insecticides and their effects on the metabolism of plants of winter wheat at toksykation stairs	L. Solomenko. Control use of insecticides in agroecosystems fosforohranichnyh NUBiP Ukraine. ERI plant, ecology and biotechnology, 2010
Miroslav Pariy		Genetics		144	B	1	Ph.D., assistant professor of plant breeding and genetics of NUBiP of Ukraine	Genetic system of controlled breeding of corn-based gene functional male sterility	Patent of Ukraine № 91861, 2010, "Method heterozygous forms of reproduction of higher plants (variants)"
Oleg Chernysh	F	Technical Mechanics	I	72	B	1	PhD, assistant professor of NUBiP	Assessment of survivability and	Technical mechanics. Kyiv: "Hi-Tech Press,"

							of Ukraine	reliability of large blades of axial compressors	2011. -340 p.
Larisa Piskunova	F	Health and Safety	II	72	B	1	PhD, assistant professor of NUBiP of Ukraine	Ecotoxicological study of pesticides in growing crops on different technologies in forest Ukraine	Piskunova L. Valeology. / Prilipko V. Piskunov L. - Manual. K.: Dia, 2011. – 80 p.
Peter Vasilev	F	Descriptive geometry	I	108	B	1	Ph.D., assistant professor of hydraulics and hydraulic machines	The system of humidification depository a vertical rotary spray of water and solutions	Kyiv Polytechnic Institute, was 03.02-20.04.1992, certificate number 5208, training on specialty "Descriptive geometry and engineering graphics."
Ivan Aleinikov	F	Botany	I	216	B	1	PhD, assistant professor of botany	The role of carotenoids in photosynthesis of plants.	Botany, 2012., Course in General Botany, 2010., Botany of the basics of hydro Botany 2011., Botany Workshop, 2006.
Sergei Kovalevsky	P	Dendrology	II	144	B	1	Doctor of sciences, professor of dendrology and forest breeding NUBiP Ukraine	Silvicultural-ecological role of grass cover in pine artificial stands of Eastern Polessya	Pine artificial stands in Ukraine (monograph) 2002. - 872 p.
Anatoly Balayev	F	Forest soil	II	216	B	1	Doctor of sciences, specialty agrosil and agrophysics	The change of a typical black soil organic matter and south in the application of soil conservation	Soil from the basics of geology, 2010.

								technologies in crop	
Olga Boyko	F	Plant Physiology	II	180	B	1	PhD, Kyiv National University Taras Shevchenko	Ecology of viruses and viral disease diagnosis mushrooms	Boyko O. Inheritance features white corolla color in satin / O. Boiko, T. Rusinov, L. Vavilov. - Moscow: AST "Astrela", 2005. - 319 p.
Lubov Rafalska	F	geodesy	I	144	B	1	PhD, f NUBiP of Ukraine	Oak forests of stands in Moldova and its use in cultures	Geodesy: Tutorial. Novak B., Porytsky G, Rafalska L - K. "Aristej", 2008. - 284 p.
Sergey Popovych	F	Nature conservation	IV	90	B	1	Doctor of sciences, professor NUBiP Ukraine	Sozological analysis of forest vegetation of Ukraine (theoretical backgrounds, methodology, applied aspects).	Popovych S. Nature conservation. Textbook. - K.: Aristej, 2007. - 480 p.
Irina Svistunova	F	Meteorology	I	72	B	1	PhD, senior lecturer department of feed production and reclamation	Feed efficiency of winter triticale for green feed depending on the technological methods of cultivation in elder Ukraine	Svistunova I. Influence of hydrothermal conditions on the formation of dense standing staircase winter triticale / Proceedings of the fifth all-Ukrainian scientific-practical conference on Internet "Web-site of Ukrainian science", 12-14 July 2010. - Kyiv - 2010. - S. 36-38.
Anatolij Goichuk	F	Forest phytopathology	III	126	C	I	Doctor of sciences, professor of Forest	Biological bases of high-productivity oak	1. Methodical recommendations

							byology and hunting Department, NUBiP of Ukraine	stands formation in the plane part of Ukraine.	"Forest Phytopathology", 2011 2. Textbook. "Forest pathological inspection," 2010.
Natalia Maksymchuk	F	Forest entomology	III	126	C	I	PhD, assistant professor of Forest byology and hunting Department of NUBiP of Ukraine	Ecology-biological and agrotechnic bases of growing of Scots pine in temporary nurseries of Kiev Polissya	1. Methodical recommendations "Forest entomology 2011 2. Textbook. "Forest pathological inspection" 2010.
Vasil Karpenko	F	Silvics	III	162	C	I	PhD, assistant professor of forestry department of NUBiP of Ukraine	Oak-lime plantations in the Right-Bank Forest-Steppe zone of Ukraine	1. Research paper: Effect of composition on the productivity oaks stands, 1991 2. Research paper: Interaction of root systems of major tree species in oak stands
Pavlo Kravets	F	Economics of Forestry	IV	144	C	I	PhD, assistant professor of Forest Management NUBiP	Productivity and site index idutification of pine forests at Western Polissya of Ukrain	Workshop for laboratory - practical work on discipline "Economics of Forestry" - K., 2009
Vasil Sheremet	F	Safety and Health at work	IV	90	C	1			Education in the Central Training Center on health OSH (Order number OSH 51 from 30/03/11) certificate
Alexander Curduk	F	Forestry selection	II	144	C	1	PhD, senior research fellow	Biology of flowering and fruiting East Asian maples	Theoretical Foundations of experience and the

								introduced in Ukraine	introduction of woody plants in Ukraine (monograph) 2010. - 185 p.
Serdij Shevchenko	P	Forest zoology	II	126	C	1	Specialist	Ecology background species of rodents in Poltava region	
Anatoliy Kushnir	F	Greening of urban areas	III	108	C	1	PhD, assistant professor dendrology and protective nature	Biology and environmental properties of wide hybrids of nuts	Kushnir A., Kushnir O. Guidelines for the discipline " Greening of urban areas" - K.: NAU, 2004 - 50 p.
Andrii Vyhovsky	F	Mechanization of forestry work	II	198	C	2	PhD, associated professor of lumbering technology, NUBiP of Ukraine	Substantiation of technological process and parameters of the combined purifier to the lots of forage beets.	Guidelines "Mechanization of forestry work" 2010 part I, 2011 part II
Serhij Dudarec	F	Hydrotechnology reclamation bases of forestry earths	II, III	126	C	2	PhD, assistant professor of Forestry reclamation and optimization of forest-agricultural landscapes, NUBiP of Ukraine	Influence of stands composition on their state and protective properties in East part of Right-bank Forest steppe zone	Textbook «Hydrotechnology reclamation of forestry earths», 2007, methodical pointing «hydrotechnology reclamation bases of forestry earths», 2011
Ievgeniia Kremenetska	F	Forestry	III	162	C	II	PhD, assistant professor of forestry and hunting department of NUBiP of Ukraine	Silvicultural features of natural foreststands in the Kiev city green zone and scientific foundations of improvement their	1. Monografy: Institutional development of forest certification in Ukraine, 2009. 2. The maximal area of the clear cutting blocks:

								condition	experience of Europe and the proposals for Ukraine, 2008. 3. Methodological approaches concerning preservation of key habitats of forest animal during carrying out of final cuttings, 2008.
Victor Maurer	F	Forest plants	III	270	C	2	PhD, professor of reforestation and afforestation, NUBiP of Ukraine	Improved biological and environmental sustainability of English oak trees in the green zone of Kyiv silvicultural methods	Methodical pointing to writing of Forest plant course project for the students
Viktor Myroniuk	P	Forest mensuration	III	234	C	2	PhD, assistant professor of forest mensuration and forest inventory department, NUBiP of Ukraine	Peculiarities of form factors and assortment structure of trees in the urban area of Kyiv	Forest mensuration Guidance for laboratory and practical classes and independent work of students. - K., 2012.
Valery Konovalchuk	F	Non-wood forest resources	III	90	C	2	PhD, assistant professor of forestry and hunting department of NUBiP of Ukraine	Ecology of swamp cranberries and productivity improvement in Wolyn Polissya	1. Specifications ISO 5035:2008. Fresh Cranberry, 2009 2. Research article: Distribution and cranberry growing crops in Ukraine and other CIS countries, 1994

									Der Vaccinium-Anbau in der Ukraine und anderer Landern der GUS, 1994. 3. Research paper: Introduction and cultivation on the plantations of an high blueberries (Vaccinium corumbosum l.) In Ukraine, 2009
Maxim Bilous	F	Transportation of wood	III	54	C	2	PhD, associated professor of lumbering technology, NUBiP of Ukraine	Ecology-forestry peculiarities of reproduction of forest stands on plough-lands of the Chernigov Polissia	Guidelines "Transportation of wood" 2012 part I
Oleksandr Manita	F	Aerospace methods in forestry	IV	54	C	2	PhD, assistant professor of forest mensuration and forest inventory department, NUBiP of Ukraine	Current increament of pine forest stands of Ukrainian Polissya	Aerospace methods in forestry Methodology development for laboratory studies., 2011.
Yukhnovskiy Vasyl Yuriyovich	F	Forestry reclamation	IV	126	C	2	Doctor of sciences, professor of Forestry reclamation and optimization of forest-agricultural landscapes, NUBiP of Ukraine	Scientific fundamentals of optimization of forest-agricultural landscapes in the plane Ukraine	Textbook «Forestry reclamation», 2010
Sergiy Zrazhva	F	Forestry Commodity	II	126	C	2	PhD, NUBiP of Ukraine	Features of growing forest crops in the	Scientific paper: Resources oak wood

								Prut-Dniester region of Forestry	Volyn region for use in manufacturing processes making, 2010. Scientific paper: Process evaluation of oak Kirovograd region for wine, 2011
Andrey Terentyev	F	GIS technology in forestry	II	90	C	2	PhD, assistant professor of NUBiP of Ukraine	System for prognosis modeling of growth of pine plantations in Ukrainian Polissya	Certificate of Higher Education 12SPK 666718 "NPP using remote sensing and GIS technologies for monitoring agricultural land
Petro Ganzha	P	Organization of forest industry	IV	180	C	2	PhD, associated professor of lumbering technology, NUBiP of Ukraine	Commodity composition oak stands of Ukrainian Soviet Socialist Republic	Lecture (electronic version)
Andrey Terentyev	F	Information technology in forestry	IV	108	C	2	PhD, assistant professor of NUBiP of Ukraine	System for prognosis modeling of growth of pine plantations in Ukrainian Polissya	Guidance modeling the dynamics of forest valuation parameters using statistical data analysis package STATISTICA - K., 2011
Vladimir Grib	F	Fundamentals of forest exploitation	IV	90	C	2	PhD, associated professor of lumbering technology, NUBiP of Ukraine	Forest evaluation of agrotechnics of planting and growth of pine plantations in Kyiv - Chernigov Polissia of Ukraine	Guidelines "Forest exploitation" 2006 part I and II

Sergei Hrysyuk	F	Radiobiology	II	72	C	2	PhD, associated professor NUBiP of Ukraine	Biotechnical basis of breeding cultivars of roses softwood cuttings in the central steppes of USSR	Bases that radiobiology radioekology ", 2008
Oleksandr Girs	F	Forest inventory	IV	216	C	2	Doctor of sciences, professor of forest mensuration and forest inventory department, NUBiP of Ukraine	Ripeness of forest stands and scientific bases of the prediction of the use of arboreal resources in the forests of different purpose	1. Tutorial. Forest inventory, 2005. 2. Forest inventory. Guidance for course design for students of forestry department., 2011.
Vyacheslav Levchenko	F	Basic professional training	I	72	C	2	PhD, assistant professor of forestry department of NUBiP of Ukraine	Natural seed regeneration in oak forests of north part of Right-bank Forest-Steppe	Learning Edition: Fundamentals training. Guidance for writing an essay, 2011
Svitlana Kokhan	F	Remote sensing	IV	54	C	2	PhD, assistant professor of NUBiP of Ukraine	Agroecological substantiation of agrochemical and fertilizer use on winter wheat in the Northern Forest Ukraine	Kokhan S., Polishchuk I. Remote monitoring of land resources. - Manual. - Kyiv. - Publishing Center NAU, 2004. - 68 p.
Victoria Samsonova	F	Management Consulting	IV	36	C	2	PhD, senior lecturer department of agricultural consulting and service	Formation of organizational and economic mechanism for distributing agricultural knowledge and information	Fundamentals of Agricultural Consulting, 2009.
