Educational research worker		Subject, term, course, total number of hours					Qualification of educational research worker		Others characteristics and notes which linked with teaching subjects
Name	Employment (F, P)	Subject	Course	Total number of hours	Training cycles (A,B,C)	Part (I, II)	Degree and name of the research institution where the degree was awarded; information about additional studies (if needed)	Dissertation subject	
Oksana Tepla	F	Ukrainian language (for professional purposes)	I	72	A	1	PhD, NUBiP of Ukraine	Formation of humanistic values in students of Agricultural Universities	Textbook "Ukrainian language for students." Bezpalenko A., Bykova G., Kostrytca N., Gritsenko T., Mazur N., Dadechko L., Perevalska M., Tepla O., 2006.
Vadim Bolshakov	F	Basic Law	I	108	A	1	PhD, NUBiP of Ukraine	Prevention activities of the assessor-ballista	Monograph "The organizational and legal framework for monitoring in the agroindustrial complex of Ukraine: problems of theory and practice" (2009).
Ivan Boyko	F	Sociology	IV	54	A	1	PhD, associate	The growth of	Sociology. Workshop

							professor in the Department of Political Science	humanistic orientation of social policy of the CPSU as pattern perfection of socialism	for independent work of students studying the course. - K.: NUBiP, 2010.
Olena Koval	F	Basic economic theory	III	126	A	1	PhD, assistant professor of NUBiP of Ukraine	Efficiency of the extended recreation is in agricultural enterprises	Methodical recommendations are from the study of discipline for the students of daily and in absentia forms of studies
Yulia Syekunova	F	Political science	IV	72	A	1	PhD, NUBiP of Ukraine	Centuries heritage Lion Bykovska	Yatchenko V., Volobuev V., Bayrak I., Boyko I., Syekunova Y., Semchynskyy K. Sociology: Textbook Committee, 2008.
Viktor Legeza	F	Higher mathematics	I	378	B	1	Doctor of sciences	Models and method of vibration protection of dynamical systems based on roller-damping devices	Academician of the Academy of Higher Education of Ukraine in the Department of Mathematics and Computer Science, Diploma № 50-2010
Vladimir Boyko	F	Physics	II	378	B	1	PhD, assistant professor of NUBiP of Ukraine	Structure of the centres of absorption and interaction of local and crystal fluctuations in alkali-halide crystals with an impurity of polyatomic anions T _d	Physics. Basic concepts and laws. Methodical manual for the students of higher agrarian educational establishments of III-IV of levels of accreditation

								and C_{3v} symmetry	K. - 2007
Olga Kochkodan	F	Chemistry (general, organic)	I,II	234	B	1	Ph.D. associate professor in the department of general chemistry	Influence of association on the interaction of surfactants with sorbent	Antrapitseva N., Ponomareva I., Kochkodan A., Tkachev N. General Chemistry. Laboratory workshop for students directly 6.051801 "Woodworking technologies." - Kyiv, Ukraine NUBiP, 2009. - 169 p.
Oleg Chernysh	F	Applied Mechanics	II	270	B	1	PhD, assistant professor of NUBiP of Ukraine	Assessment of survivability and reliability of large blades of axial compressors	Technical mechanics. Kyiv: "Hi-Tech Press," 2011. -340 p.
Andrey Terentyev	F	Numerical Mathematics and Programming	I	360	B	1	PhD, assistant professor of NUBiP of Ukraine	System for prognosis modeling of growth of pine plantations in Ukrainian Polissya	Lecture (electronic version)
Peter Vasilev	F	Descriptive geometry	I	144	B	1	Ph.D., assistant professor of hydraulics and hydraulic machines	The system of humidification depository a vertical rotary spray of water and solutions	Kyiv Polytechnic Institute, was 03.02-20.04.1992, certificate number 5208, training on specialty "Descriptive geometry and engineer graphics."
Peter Vasilev	F	Engineering Graphics	I	126	B	1	Ph.D., assistant professor of hydraulics and hydraulic machines	The system of humidification depository a vertical rotary spray of water and solutions	Kyiv Polytechnic Institute, was 03.02-20.04.1992, certificate number 5208, training on specialty "Descriptive geometry

									and engineer graphics."
Larisa Piskunova	F	Health and Safety	II	72	B	1	PhD, assistant professor of NUBiP of Ukraine	Ecotoxicological study of pesticides in growing crops on different technologies in forest Ukraine	Piskunova L. Valeology. / Prilipko V. Piskunov L. - Manual. K.: Dia, 2011. – 80 p.
Alexey Kotrechko	P	Material Science	II	108	B	1	Ph.D., associate professor in the department of technology of structural materials and materials	Thermal stability of heat-hardened steels, microalloyed FGM	Faculty professional development of teachers of higher educational institutions at the Moscow Institute of Steel and Alloys, "Metal Science and Heat Treatment", license number 42044 on the 05.01 85.
Volodymyr Korobsky	F	Electrical engineering and electric drive	II. III	270	B	1	Ph.D., associate professor in the department of electrical machinery and operation of electrical equipment	Operational reliability of magnetic starters with composite contact materials	Methodical development "Electronics", 2011
Sergiy Zrazhva	F	Wood Science and basic Science of commodities	II	144	B	1	PhD, NUBiP of Ukraine	Features of growing forest crops in the Prut-Dniester region of Forestry	Scientific paper: Resources oak wood Volyn region for use in manufacturing processes making, 2010. Scientific paper: Process evaluation of oak Kirovograd region for wine, 2011

Igor Lytsur	P	Economics of Woodworking industry	IV	162	B	1	Doctor of sciences, NUBiP of Ukraine	Territorial the organisation of a wood complex of Ukraine in the conditions of transformation of productive forces	Thesis "Ecological and economic problems of spatial organization of the forest sector of Ukraine"
Stepan Lehman	F	Safety and Health at work	IV	90	B	1	PhD, NUBiP of Ukraine	Investigation of abrasive wear of the working of agricultural machinery in connection with the work environment	Education on the orders of the rector of the issuance of certificates in the main training center for safety OSH (order number 51 of the OSH 03/30/11) of Ukraine, 2011, Kyiv.
Zynoviy Sirko	F	Woodworking Machines and Tools	III	360	C	2	PhD, NUBiP of Ukraine	Improvement of wooden materials' sanding technology	Scientific paper: Energy performance of air stapler guns for wood industry, 2009. Scientific paper: System identification of inclusions in the zone cut at cutting of plate materials, 2007.
Valeriy Koval	F	The technology of lumber	III, IV	252	C	2	PhD, NUBiP of Ukraine	Investigation of the process of hardwood lumber drying in the pre-end areas	Monograph: Preparation and calculation of posture for the production of timber, 2010. Monograph: Production of timber, 2011.

Olena Pinchevska	F	Hydrothermal treatment of wood	III, IV	306	C	2	Doctor of sciences, NUBiP of Ukraine	Resource saving convection saw timber drying technology with setting indices of drying quality	Scientific paper: A new approach to the management process of drying sawn timbe, 2011. Monograph: Forecasting quality lum ber drying, 2010.
Galina Domashovets	F	Basic Marketing	IV	126	C	2	PhD, associate professor of forest management	Zonal bioproductivity of Lviv region forests and its dynamics	Lecture of discipline "Principles of Marketing" - K. - 2012
Galina Domashovets	F	Basic Management	IV	90	C	2	PhD, associate professor of forest management	Zonal bioproductivity ofLviv region forests and its dynamics	Lecture of discipline "Principles of Marketing" - K. - 2012
Zynoviy Sirko	F	Industry equipment	II	216	C	2	PhD, NUBiP of Ukraine	Improvement of wooden materials' sanding technology	Scientific paper: Energy performance of air stapler guns for wood industry, 2009. Scientific paper: System identification of inclusions in the zone cut at cutting of plate materials, 2007.
Victor Buhtiyarov	F	Macromolecular Chemistry	II	126	C	2	Ph.D. associate professor in the department of colloid and organic chemistry	Synthesis and physico-chemical harakterystykky homogeneous and mixed-ligand β -diketonates of manganese (III)	D.O.Melnychuk M.O.Zaharenko, M.P.Vovkotrub V.K.Buhtiyarov, O.I.Kononskyy. "Organic Chemistry". - K.: Agricultural Education, 2006. - 16 p.

Pavlo Bekhta	p	Technology glued materials	III, IV	414	C	2	Doctor of sciences, NUBiP of Ukraine	Scientific and technical basis of particle boards production with a given structure and properties	Scientific paper: Reduction of corrosion activity flame retardants in the production of refractory plywood by their modifying, 2011. Scientific paper: Effect of relative humidity on some physical and mechanical properties of different types of fibreboard, 2009.
OlenaPinchevska	F	Drying technology and the protection of timber	II	126	C	2	Doctor of sciences, NUBiP of Ukraine	Resource saving convection saw timber drying technology with setting indices of drying quality	Scientific paper: A new approach to the management process of drying sawn timbe, 2011. Monograph: Forecasting quality lum ber drying, 2010.
Olga Malakhova	F	The technology of wood products	III, IV	324	C	2	PhD, NUBiP of Ukraine	Improvement of wooden materials quality estimation methods based on their structural and mechanical parameters	Scientific paper: Analysis sheepsfoot connections in lattice furniture 2010. Scientific paper: Analysis of the dependence of the elastic properties of the timber on the parameters of knots, 2011.
Oleg Hrushanskyy	F	Intrafactory transport	III	54	C	2	PhD, associated professor of	The research of technology and	Guidelines "Intrafactory transport " 2012

							lumbering technology, NUBiP of Ukraine	justification of the working parameters of the machine for transplanting big trees with a lump of earth	
Petro Ganzha	P	Woodworking production Engineering	IV	90	C	2	PhD, associated professor of lumbering technology, NUBiP of Ukraine	Commodity composition oak stands of Ukrainian Soviet Socialist Republic	Lecture (electronic version)
Valeriy Koval	F	Technology saw-wood industries	II	216	C	2	PhD, NUBiP of Ukraine	Investigation of the process of hardwood lumber drying in the pre-end areas	Monograph: Preparation and calculation of posture for the production of timber, 2010. Monograph: Production of timber, 2011.
Olexandra Gorbachova	F	Introduction to specialty	I	72	C	2	Master	The analysis of drying quality in the COPCAL chambers according EN 14298:2004 in the enterprise VAT Vydubychy	
Valentyn Holovach	P	Technology of wood finishes	IV	108	C	2	PhD, NUBiP of Ukraine	Improving of the particle board' mat formation quality	Scientific paper: Prevention of fire situations at drying lumber, 2009.

									Scientific paper: Control of separation in plate materials from wood, 2011.
