International scientific and practical conference "Addressing Ecological and Social Challenges for Forests and Forest Management"

23 October, 2018

Conference-hall, room 69, bldg. No1, NULES of Ukraine

**Greetings from Rector of NULES of Ukraine prof. Stanislav Nikolaienko
Deputy Head of State Agency of Forestry of Ukraine Volodymyr Bondar**

PLENARY SESSION **Chairman Anatoly Shvidenko**

Dr.Sci. Prof. Anatoly Shvidenko

International Institute for Applied Systems Analysis, Austria

Mid-Latitude Ecotone Forests Adaptation: Challenges of Forest Management

Dr. Lucio Brotto

Business Development Director, ETIFOR

Padova University Spin-off, Italy

Providing access to ecosystem services finance: from theory to practice

Dr. Christopher Reyer

Potsdam Institute for Climate Impact Research (PIK), Germany

Title of presentation should be indicate late

Dr. Marion Karmann

FSC International, Monitoring and Evaluation Program, Bonn, Germany

Forest management certification as a tool to promote sustainable forestry:
standards development and research needs

PhD. As. Prof. Sergey Venevsky

Tsinghua University, Beijing, China

Application of global dynamic vegetation models for simulation of wildfires in Ukraine

Dr.Sci. Prof. Hryhoriy T. Krynytskyy

Ukrainian National Forestry University, Lviv, Ukraine

Close to nature forestry as a foundation for sustainable forest management

Dr.Sci. Prof. Petro Lakyda

National University of Life and Environmental Sciences of Ukraine, Kyiv, Ukraine

Institutional Development: from national forest policy to close to nature forestry

агрополітичний діалог

Lunch break 12:30-13:30

<p>Technical session No1 (room 97) Assessment of Forests and Forestry Chairman Sergiy Zibtsev</p>	<p>Technical session No2 (room 69) Institutional and Economic Mechanisms of Forest Management Transformation Chairman Ihor Soloviy</p>
<p>Dr.Sci. Sergiy Zibtsev <i>National University of Life and Environmental Sciences of Ukraine Regional Eastern Europe Fire Monitoring Center Challenges for transition to integrated forest fire management in Ukraine</i></p>	<p>Dr. Sci. Prof. Ihor Soloviy <i>Ukrainian National Forestry University Outlines for new forest policy instruments set: integrating payments for ecosystem services, forest certification and social innovations</i></p>
<p>Dr.Sci. Prof. Andriy Bilous <i>National University of Life and Environmental Sciences of Ukraine Disturbances impact on ecosystem services in forest ecosystems of Ukrainian Polissya</i></p>	<p>Dr. Sci. Prof. Ihor Lytsur <i>State Institution "Institute of Environmental Economics and Sustainable Development of NAS of Ukraine" The fiscal regulation in the forestry sector of Ukraine</i></p>
<p>Dr. Sci. Prof. Meshkova Valentyna <i>Ukrainian Research Institute of Forestry & Forest Melioration Amending the existing regulatory documents on forest management as the way to mitigate the consequences of forest pests spread</i></p>	<p>PhD. As. Prof. Pavlo Kravets <i>FSC Ukraine, National University of Life and Environmental Sciences of Ukraine FSC response to challenges in forest management of Ukraine</i></p>
<p>PhD. Prof. Viktor Maurer <i>National University of Life and Environmental Sciences of Ukraine On the issue of reason and preventing the phenomenon of mass drying trees and forest stands</i></p>	<p>PhD. As. Prof. Yuriy Marchuk <i>National University of Life and Environmental Sciences of Ukraine Financing and taxation of the forestry sector. Role of the state and local communities</i></p>
<p>PhD. Tetyana Pyvovar <i>G. M. Vysotskiy Ukrainian Research Institute of Forestry & Forest Melioration Forest condition in Ukraine on the base of monitoring data</i></p>	<p>Ph.D. student Bogdan Buliga <i>University of Babes-Bolyai Cluj, Romania Forest certification in different national institutional contexts: a comparative analysis of non-conformities identified across European countries</i></p>

Німецько-український
агрополітичний діалог

<p>PhD. As. Prof. Dmytro Bidolakh <i>Separated Subdivision of National University of Life and Environmental Sciences of Ukraine “Berezhany agrotechnical institute”</i> Tree inventory and 3d modeling with the using of modern methods</p>	<p>PhD. As. Prof. Oksana Pavlishchuk <i>FSC Ukraine, National University of Life and Environmental Sciences of Ukraine</i> FSC national forest stewardship standard for Ukraine</p>
<p>PhD. As. Prof. Svitlana Bilous <i>National University of Life and Environmental Sciences of Ukraine</i> Ways of rising tolerance to pathogen of <i>Fraxinus excelsior</i> L. using biotechnology methods</p>	<p>PhD. Sergiy Rozvod <i>Ltd. “Legallis”</i> Modern trends of standards integration for voluntary forest certification management system at forestry enterprises</p>
<p>Yevgeniy Khan <i>FSC Ukraine</i> Spatio-temporal analysis of illegal amber mining in Ukraine using remote sensing</p>	<p>PhD. As. Prof. Olga Moroziuk <i>National University of Life and Environmental Sciences of Ukraine</i> Comparative characteristics of the requirement of the FSC standard and the legislation of Ukraine regarding the assessment of environmental impact</p>
<p>PhD. As. Prof. Ivan Lakyda <i>National University of Life and Environmental Sciences of Ukraine</i> Importance of trans-border cooperation for producing better scientific results</p>	<p>PhD. As. Prof. Evgeniya Kremenetska <i>Sumy National Agrarian University</i> Certification of non-timber forest products under FSC scheme: requirements of the NEPCon appendix and their adaptation to the forestry practice of Ukraine</p>

Conference-hall, room 69, bldg. No1, NULES of Ukraine

FINAL SESSION

Closing remarks. Final Conference Resolution.
