WHAT IS NERM?

NERM is the most important annual meeting of forestry students in all the Europe. Each year most of IFSA Regions in the world organize a Regional meeting, which gathers the local committees (LC) members of IFSA in the region during several days. Those meetings are quite important to discuss regional topics and trends and promote the cohesion and effectiveness of IFSA work in the region.

IFSA is a non political, non religious and not for profit organization that connects forestry students from all over the world in a wide spectrum of activities.

OBJECTIVES OF NERM 2017?

NERM 2017 will show to all participants Ukrainian forestry covering idea of "*Multifunctional Use of Forest*", successful forest related enterprises and companies, beautiful landscapes and nature, sustainable use of nature resources, Ukrainian culture and traditions, different traditional clothes, food, beverages, handicrafts etc. all over the country.

FOCUS OF NERM 2017?

During NERM'17 forestry students will have opportunity to visit typical natural and artificial forests in different natural zones of one of the largest countries of the Europe, urban forests, agroforestry systems, biomass plantations for energy use, national arboretum, erosion control forests, mountain forests of Ukrainian Carpathians, reserved primary forests and a lot of other important forest-related sites in Ukraine.

NERM 2017 will be an exciting 10 days trip of almost 2000 km around the Ukraine with a good overview of Ukrainian forestry, culture and traditions within a short time.
