Dear Max:

On behalf of Penn State University and the entire CURAD team, thank you for your participation as our inaugural CURAD Fellows. Your input to the discussions helped us formulate our strategic plan for engaging with Ukraine as it implements its land reform legislation.

In recognition of your achievement, we are presenting you (virtually) with the attached certificate. In addition, we have arranged for some mementos of your time at Penn State to be shipped to your homes.

Although your time as a CURAD Fellow has come to an end, our partnership will last forever. Please know that your mentors—Stephan Goetz and Tim Kelsey—join us in our commitment to you and your long-term career success.

Sincerely,

Deanna Behring, PhD  
Assistant Dean and Director
