| development of     |     | technical and methodical       | task,          |           |
|--------------------|-----|--------------------------------|----------------|-----------|
| the team.          |     | support for personnel          | independent    |           |
| Topic 9.           |     | evaluation; peculiarities of   | work in elearn |           |
| Evaluation of      | 3/2 | employee attestation; the      |                | 10        |
| human resources.   |     | essence of professional        |                |           |
| Topic 10.          |     | development and methods of     |                |           |
| Management of      | 3/2 | professional training of       |                | 10        |
| human resources    | 314 | employees; peculiarities of    |                | 10        |
| development.       |     | the process of career planning |                |           |
| Topic 11.          |     | and development and work       |                |           |
| Management of      |     | with the personnel reserve.    |                |           |
| the process of     | 2/2 | Be able to make a significant  |                | 10        |
| human resources    |     | contribution to the            |                |           |
| release.           |     | harmonization of human         |                |           |
| Topic 12.          |     | relations and the formation of |                |           |
| Social partnership | 2/2 | a successful team; carry out   |                | 10        |
| in the             |     | evaluations of the             |                |           |
| organization.      |     | organization's personnel;      |                |           |
| Topic 13.          |     | draw up and implement a        |                |           |
| Human resources    |     | plan of measures for the       |                |           |
| management         | 2/2 | development of the             |                | 10        |
| efficiency.        |     | organization's personnel;      |                |           |
|                    |     | determine the effectiveness of |                |           |
|                    |     | personnel management.          |                |           |
| Module test 2      |     |                                |                | 30        |
| Total for the      |     |                                |                | 100       |
| module 2           |     |                                |                | 100       |
| Total for          |     |                                |                |           |
| educational        |     |                                |                | <b>70</b> |
| work               |     |                                |                |           |
| Exam               |     |                                |                | 30        |
| Total for the      |     |                                |                | 100       |
| course             |     |                                |                | 200       |

## ASSESSMENT POLICY

| Deadlines and                    | Works that are submitted late without valid reasons will be assessed   |  |  |
|----------------------------------|--|--|--|
| exam retaking                    | with a lower grade. Module tests may be retaken with the permission of   |  |  |
| policy:                          | the lecturer if there are valid reasons (e.g. a sick leave).   |  |  |
| Academic<br>integrity<br>policy: | Copying (copying the text) during written tests and exams is prohibited.  The use of mobile devices is allowed only with the permission of the teacher during online testing and preparation of practical tasks.  Independent works in the form of abstracts, reports, presentations must have correct text links to the used information sources. |  |  |
| Attendance policy:               | Attendance is compulsory. For good reasons (e.g. illness, international internship), training can take place individually (online by the faculty dean's consent).  |  |  |

### SCALE FOR ASSESSING STUDENTS 'KNOWLEDGE AND SKILLS

| Student's rating, points | National grading of exams |
|--------------------------|---------------------------|
| 90-100                   | excellent                 |
| 74-89                    | good                      |
| 60-73                    | satisfactorily            |
| 0-59                     | unsatisfactory            |
